

REIMBURSEMENT JUSTIFICATION LETTERS

From Recommender to District Leadership (District/Campus Account)

Dear (DISTRICT LEADER'S NAME HERE),

I'm writing to recommend consideration of Propello as a curricular resource for the students and teachers of (CAMPUS/DISTRICT NAME). Propello's comprehensive learning platform is standards-aligned and student centered, ideal for engaging students in deep, meaningful learning. I believe this instructional resource will be incredibly beneficial for the students here at (CAMPUS), as well as throughout (DISTRICT NAME).

Propello sparks curiosity and engagement through interactive lessons and hands-on instruction, encouraging learners to delve deeper into the subject being studied. It also features embedded supports that address different learning styles, needs, and language proficiencies such as:

- Text-to-speech
- Leveled reading
- Visual support
- Grammar support
- Audio/visual translations.

The Propello platform also helps teachers by offering customizable lesson planning tools, professional learning options, and ongoing support via online and virtual face-to-face options. These tools can save hours of preparation time, allowing educators to focus more on individual student needs.

Propello has options available that can be customized to meet (ORGANIZATION)'s budget requirements, and a demonstration tour can be scheduled by contacting www.propello.com/tour.

If you have questions about why I feel Propello is a valid investment for (NAME OF CAMPUS and/or DISTRICT) I am happy to speak with you at your convenience.

Thank you for your consideration.

Sincerely,

YOUR NAME
